

EVoline[®] Vertical

Stable. Space-saving.

The EVoline Vertical stands freely in the room, stable on a solid cast iron base. Upright, mobile and space-saving, it is the ideal solution for offices, hotels or salesrooms.

With a height of up to 1.20 m, the EVoline Vertical eliminates the need to bend down for sockets: power, multimedia and data connections are easily accessible at a comfortable height.

Freely configurable according to your wishes
