

EVoline[®] Frame Dock

Individuality ex works.

The EVoline FrameDock mounts flush with horizontal or vertical surfaces, be it a desktop, a worktop in the kitchen, a wall or the lateral surface of a piece of furniture. The low installation depth facilitates the choice of location.

Freely configurable according to your wishes.

Always exchangeable.

Interchangeable modules make it timeless and it grows with the requirements. Fast and easy mounting or dismounting.
